and which school provides religious education in accordance with the doctrines, practices and traditions of the Roman Catholic Church, and/or such ethos and/or characteristic spirit as may be determined or interpreted from time to time by the Irish Episcopal Conference.

In accordance with S.15 (2) (b) of the Education Act, 1998 the Board of Management of Coláiste Mhichíl shall uphold, and be accountable to the patron for so upholding, the characteristic spirit of the school as determined by the cultural, educational, moral, religious, social, linguistic and spiritual values and traditions which inform and are characteristic of the objectives and conduct of the school.

Mission Statement

To provide a visibly Christian environment where pupils and staff can achieve their full potential as human beings intellectually, physically, socially and in a spiritual fashion in the tradition of Blessed Edmund Rice

Philosophy

The main aim of the school is to create a challenging learning environment, to facilitate the all-round education of our students to the highest spiritual, moral and academic standard, and to prepare them for life itself.

The core values of ERST are intended to support and nourish the lives of the people at the heart of our school: students, staff and parents. The key elements are

- Nurturing Faith, Christian Spirituality and Gospel-based Values
- Promoting Partnership in the School Community
- Excelling in Teaching and Learning
- Creating a Caring School Community
- Inspiring Transformational Leadership

Characteristic Spirit

Coláiste Mhichíl promotes the personal, spiritual, physical, creative and intellectual development of its students in accordance with the mission and vision as articulated in the ERST Charter. Since its opening in 1828, Coláiste Mhichíl has provided an education of excellence for boys from all walks of life. Coláiste Mhichíl has a proud record of academic achievement, social inclusion, extracurricular provision and much sporting success. The characteristic spirit of our school is based on the vision and values of the ERST Charter.

These charter values, as outlined above, are reflected in the daily life of the members of the school community. The school community comes together a number of times each year to celebrate Mass. We have a Mass at Christmas time which celebrates all the members of the school community and the students play a prominent role in the delivery of the service. Much work is done in school supporting various charities through non-uniform days and through the work of the Student Council and various individual teachers working on projects with students. The school's vision and commitment to providing a caring inclusive education is evidence in the decision to establish The Learning HUB– our ASD classroom in the school.

The curriculum available in Coláiste Mhichíl caters for a wide diversity of aptitudes and abilities and we take pride in the achievements of all our students. Excellence in teaching and learning means that in Coláiste Mhichíl we have a high expectation of our teachers and students, nurture the development of all aspects of our lives, respond to a changing world,

use technology responsibly and creatively to enhance our learning and promote learning as a life-long enterprise.

The family, as the primary educator, through its commitment to the values of the school, shares the responsibility for the students' education. Coláiste Mhichíl has dedicated teachers who are committed to high academic standards. The school provides a rich and diverse curriculum catering for the needs of each individual student. It strives also for excellence in areas of sport and culture, social concern and spiritual values wherein students are encouraged and challenged to realise their full potential as human beings. The mission of our School Community - Staff, Board, Parents, present students and past pupils - is to ensure that graduates of the school, by their relationship with Jesus Christ and through living Gospel values, shall set an example to others of leadership in the pursuit of a just world.

The school wishes to see in the parents/guardians a strong support for the Mission Statement and a commitment to the values embodied therein under the following headings:

- pastoral care and spiritual development;
- co-curricular;
- the academic curriculum;
- justice issues and activities; and
- a willingness to involve themselves as parent(s) / guardian(s) in the life of the school.

Especially important is that they desire that their son develop his spiritual values and grows in concern for others, and that they are open to such development in themselves.

This Admissions Policy should be considered in conjunction with the Code of Discipline of Coláiste Mhichíl and the Education Act 1998. The procedures outlined in this policy may, from time to time as circumstances demand, be varied or altered.

6. Oversubscription

In the event that the school is oversubscribed, the school will, when deciding on applications for admission, apply the following selection criteria in the order listed below to those applications that are received within the timeline for receipt of applications as set out in the school's annual admission notice:

As Limerick City and its environs operates the Common Application System (CAS) there are a number of steps which prospective students need to adhere to in order to secure a

place in Coláiste Mhichíl.

The CAS was established by the DES and then Minister Dempsey in response to the requirement for places within city schools. Limerick Education Centre (LEC) acts as the administrator for the CAS. There is an agreed schedule of Open Nights which is advertised in the local newspapers and all primary schools are also advised of the Open Night arrangements. There is a single application form (the CAS form) and a common closing date for all schools within the System and this form is forwarded to all primary schools in the area. Parents/guardians are advised to populate the form with their preferences. Instructions for the completion of the CAS form are outlined in detail in the following paragraph.

Coláiste Mhichíl declares the number of places available for incoming first year students each year. This information is furnished to the LEC. Application for admission to the school must be received as the school of First Choice on the prescribed Common Application System Form by the closing date set by LEC. A letter of offer/refusal will be posted to parents/guardians. Acceptances/refusals to the offer need to be returned to the school. A Common Registration Evening will take place on a date set by the LEC, and students intent on accepting their place in Coláiste Mhichíl are required to attend this evening with their parent/guardian.

When completing the CAS form, applicants are asked to complete their preferences in order of 1-11. Every applicant, regardless of what enrolment criteria they come under, **MUST** fill in the first 1-11 choices. When an application form, properly completed and signed, is received, it will be stamped with the date on which it was received. Application forms which are returned to the first preference school without this section completed are returned by that school to the applicant who will be asked to complete the form correctly. If this opportunity is declined, it is noted on the application form. Failure to fill in the 1-11 choices may reduce an applicant's chance of receiving a placement under the CAS.

Coláiste Mhichíl cannot accept an application form if it is not received before the agreed closing date and time as already stated in this policy.

Enrolment Criteria

In allocating places the following will be the first criteria used

1. Brothers of present students
2. Students of Scoil Iosagain
3. Brothers of past students
4. Sons of past students (up to a maximum of 25% of the total places available)

The above criteria will be applied in the stated order and will only apply where Coláiste Mhichíl is the first choice. If at this point the number of applicants exceeds the places available, open lottery will apply. This lottery will be carried out by the principal and chairperson of the Board of Management of Coláiste Mhichíl. If the number of applicants exceed places, a waiting list will be formed by the open lottery and places, if they become available, will be offered to the applicants in rank order. (Note: if a lottery is used, twin brothers will be treated as a single application)

If after implementing the above criteria places are still unfilled, these places will be offered to applicants who do not meet these criteria. This selection will also be made by open lottery, conducted by the principal and chairperson of the Board of Management of Coláiste Mhichíl. If the number of applicants exceed places, a waiting list will be formed by the open lottery and places, if they become available, will be offered to the applicants in rank order. (Note: if a lottery is used, twin brothers will be treated as a single application)

In administering the enrolment criteria the school will be conscious of its obligation to provide a satisfactory learning environment for students and staff and to take all steps necessary to ensure the Health and Safety of its students and staff. If it is the professional opinion of the management of the school that a student presents needs which cannot be

reasonably met by a mainstream secondary school, or which may seriously impinge on the education and/or health and safety of others, the school may refuse/rescind an offer to enrol an applicant.

The Board of Management reserves the right to refuse an application for admission. In such case, the parents will have the right to appeal under Section 29(1) Education Act 1998.

In the event that there are two or more students tied for a place or places in any of the selection criteria categories above (the number of applicants exceeds the number of remaining places), the following arrangements will apply:

17. Arrangements regarding students not attending religious instruction

This section must be completed by schools that provide religious instruction to students.

The following are the school's arrangements for parents of students and students (over 18) who have requested that the student attend the school without attending religious instruction in the school:

These arrangements will not result in a reduction in the school day of such students.

Parents of students and students (over 18) who wish to opt out of RE class should make a written request to the principal. A meeting will then be arranged with the parent or the student, as the case may be, to discuss their options. Throughout this process the constitutional right of the parent/ student (over 18 years) will be respected by the school.

The 1998 Education Act states that schools are required to promote the moral, spiritual, social and personal development of students (Section 9 (d)). At Coláiste Mhichíl the allocated time on the timetable for Religious Education responds to this. Students who opt out of RE class are required to use this time to study material relating to their own religious tradition or belief, for example sacred texts. Students of no religious faith, who opt out of RE class, are required to study relevant literature or philosophical texts. A list of suggested texts can be provided by the school. In line with the Edmund Rice Schools Trust Charter, Coláiste Mhichíl places great importance on the religious or spiritual formation of all its students. Each student has his own personal journey which will be encouraged and respected. Students who opt out of RE class will not be offered extra tuition or study periods.

18. Reviews/appeals

Review of decisions by the board of Management

The parent of the student, or in the case of a student who has reached the age of 18 years, the student, may request the board to review a decision to refuse admission. Such requests must be made in accordance with Section 29C of the Education Act 1998 and must be received by the board not later than 21 days after the applicant has been informed in writing as to the decision of the school in accordance with Section 9 of this policy.

The timeline within which such a review must be requested and the other requirements applicable to such reviews are set out in the procedures determined by the Minister under section 29B of the Education Act 1998 which are published on the website of the Department of Education and Skills.

The board will conduct such reviews in accordance with the requirements of the procedures determined under Section 29B and with section 29C of the Education Act 1998.

Note: Where an applicant has been refused admission due to the school being oversubscribed, the applicant **must request a review** of that decision by the board of management prior to making an appeal under section 29 of the Education Act 1998. This request must be received by the board not later than 21 days after the applicant has been informed in writing as to the decision of the school in accordance with Section 9 of this policy.

Where an applicant has been refused admission due to a reason other than the school being oversubscribed, the applicant **may request a review** of that decision by the board of management prior to making an appeal under section 29 of the Education Act 1998.
